Re: 2007 WGA Negotiations

Dear David:

This will confirm the conversation we had today at approximately 6:05 p.m., in the presence of Bryan Lourd, in which I asked whether the WGA was preparing a proposal in response to the proposal given to the WGA by the Companies at approximately 2:35 p.m. this afternoon. You advised that the WGA was preparing such a proposal. I asked whether any of the six issues that the Companies had earlier today advised the Guild must be withdrawn before negotiations can proceed further would be included within the proposal the WGA is preparing. You responded that you did not know because you were still working on the proposal.

I informed you that when the WGA sends me a letter confirming that those six proposals are withdrawn, the AMPTP will schedule another negotiation session with the WGA.

Sincerely,

J. Nicholas Counter III
