WRITERS GUILD OF AMERICA WEST

This is a list of titles for which the WGAW is holding foreign levy funds but has not yet identified the writer(s). Most of these titles are works that were not covered under a WGA collective bargaining agreement. In some cases, the titles have been altered through translation or misspelled by the foreign collection society that provided the distribution data. For certain titles, the collection society has provided a code or episode number, which we have included. If you are the writer of a work that appears on the list or the heir of such a writer, you may file the online claim form on the WGAW website (www.wga.org/foreignlevies) or call the Foreign Levies Department at 323-782-4672.

WRITERS GUILD OF AMERICA WEST

This is a list of titles for which the WGAW is holding foreign levy funds but has not yet identified the writer(s). Most of these titles are works that were not covered under a WGA collective bargaining agreement. In some cases, the titles have been altered through translation or misspelled by the foreign collection society that provided the distribution data. For certain titles, the collection society has provided a code or episode number, which we have included. If you are the writer of a work that appears on the list or the heir of such a writer, you may file the online claim form on the WGAW website (www.wga.org/foreignlevies) or call the Foreign Levies Department at 323-782-4672.
