Open Enrollment is from November 11, 2026 thru December 15, 2026

Can you help me decide what's best for me?

We partnered with Budgie to help you make the right decision. You will be able to compare Anthem PPO Plan and Centivo Plan side-by-side to find your perfect fit.

Where can I ask my questions?

Multiple options will be available to you through online tools (Budgie, Centivo, website FAQ's), live events (health fairs, webinars), and personal support from Centivo or PWGA staff via phone, Zoom, or in-person. PWGA is staffing up on phone support.

Great! I am ready to enroll.

You can make your selection this fall during Open Enrollment on **MyPlans** (myplans.wgaplans.org). Easy to sign up, make your selection, and set up autopay for seamless premium payments.

Open Enrollment is from November 11 - December 15

- You will have several resources available to support your 2027 health plan selection
- **The PWGA Open Enrollment Tool is the only resource required to complete enrollment**
 - All other resources are optional and intended to help inform your decision

Welcome to a new kind of health plan

Centivo was founded to make high-quality healthcare more affordable and easier to navigate. Today, we provide health plans to people and families nationwide, including at some of the country's most recognized companies.

As your health plan administrator, Centivo helps you understand your benefits, manage your plan and get support when you need it.

Protecting your health. And your wallet.

A better kind of health plan with a doctor by your side

The Centivo Plan is built around a simple idea: **better primary care leads to better healthcare.**

Research shows that people with an ongoing primary care relationship get more preventive care, avoid unnecessary tests and procedures, and have fewer ER visits—leading to better care and lower costs.

Your primary care doctor helps you:

- Stay on top of your health
- Identify and manage health concerns
- Coordinate your care
- Connect with the right specialists
- Navigate healthcare system more easily
- Keep costs lower

How the plan works

- Select a primary care doctor for everyone covered on your plan (activate).

All covered members need to activate, including dependents (you can change at any time, just let Centivo know)

Choose from the primary care providers in the Centivo Network, including:

- Pediatricians for children
- Centivo Care virtual primary care for members 18+

- See your primary care doctor first for any care needs

- Stay in-network for the most cost savings

Three easy ways to activate:

- 1 On the Centivo app
- 2 On the member portal
- 3 By calling Centivo Member Care

Guided care for a better experience

For most specialist visits, you'll start with a referral from your primary care doctor.

- Your primary care doctor will submit the referral on your behalf.
- Referrals are automatically approved
- Once the referral shows in the Centivo app, schedule your specialist appointment
- Referrals are good for a full year.

You don't need referrals for

- OB/GYN
- Mental healthcare
- Urgent or emergency care
- Chiropractic care
- Lab work
- Physical, occupational or speech therapy
- Alternative medicine covered by your plan

Sound too good to be true?

Here's how it works:

1. Better care starts with primary care

Your primary care doctor gets to know you, helps manage your health and connects you with the right care when you need it—helping you get the right care at the right time and keep costs lower. **You can even choose virtual primary care for added convenience, including Centivo Care, our virtual primary care practice.**

2. We partner directly with local providers

Centivo partners directly with carefully selected doctors and health systems to negotiate lower rates, giving you access to high-quality care from recognizable providers at lower costs.

PROVIDERS AVAILABLE TO YOU

Care from providers you know

Centivo partners directly with carefully selected local doctors and health systems. These partnerships help us offer access to high-quality care at lower negotiated rates.

The Centivo Plan can mean significant savings. Is it right for you?

Shawn

Wants to keep the doctors he knows

Already sees doctors who are in the Centivo Network and likes knowing he can keep the care he knows while spending less.

Miles

Wants a doctor who knows him

Usually turns to urgent care when he needs care but likes the idea of having a primary care doctor who knows him and helps guide his care.

Sarah

Open to switching doctors

Is willing to switch to a doctor in the Centivo Network in exchange for more predictable and much lower healthcare costs.

Jen

Wants predictable costs for her family

Covers four children and likes knowing she can take them to their pediatrician for checkups or when they're sick, as often as needed, for free.

PLAN CONSIDERATIONS

How does it work when I travel?

- **Emergency care** is covered at in-network rates no matter where you are.
- **Urgent care** is covered at in-network rates when you're outside the Centivo service area.
- You can access **MD Live** for virtual urgent care.
- Your **primary care doctor** may offer virtual visits.

Note: If you're out of the country, you'll need to pay for your care and submit a claim when you're back home. Be sure to get a detailed receipt about the services you received and the costs, then contact Member Care for help.

PLAN CONSIDERATIONS

What if I have a dependent who lives away from home?

If your dependent lives in a different location, they can:

- Choose Centivo Care if they are 18+
- Pick an in-person primary care doctor in their home geography that offers virtual visits.
- If they live in an area covered by the Centivo Network, they can choose a primary care doctor near them and see in-network specialists when needed.
- Use telemedicine for non-urgent care needs.
- Most colleges offer on-site medical care. Your enrolled dependent may consider using the school's student health services for most/all care.

PWGA WEBINAR

Decision support tool available to eligible members, backed by real data.

Budgie provides PWGA members with a decision support tool that offers education on available benefits to help members make better benefits decisions.

The image displays two overlapping screenshots of the Budgie Health website. The background screenshot shows a landing page with the Budgie Health and PWGA logos at the top, a 'Log In' button, and a large blue banner with the text 'We work with PWGA to help you get the most of your benefits by making sure you've got the care you need.' A cartoon bird character is visible in the bottom right corner of the banner. The foreground screenshot is a 'Login' form with the Budgie Health logo at the top. It includes a text input field for 'Email or phone number', a 'Continue' button, and a link for 'Activate without Email'. Below the form, there is a disclaimer: 'By continuing you accept Budgie's Terms of Service and Privacy Statement' and contact information: 'Having trouble? Contact team@budgie-health.com or chat for support.'

● Built on claims data

The screenshot displays a user interface for a decision support tool. At the top, it indicates '2 covered · 1 adult · 1 child' and 'Personalized using the care profile you shared', with a link to 'Review or edit your answers'. The main section is titled 'YOUR PERSONALIZED RECOMMENDATION' and features a purple header for 'Centivo' with a 'Keep your current plan' button. Below this, it states: 'Keeping this plan saves your family \$355 next year vs. your next best option.' A section titled 'Why this is the best fit' contains three columns: 'It costs you less.' (Centivo saves \$355 in premiums compared to the Anthem PPO, though you carry a higher out-of-pocket ceiling if you need significant care.), 'It fits how your family uses care.' (Your care patterns and provider utilization make Centivo the best fit for you and your family.), and 'You're still protected.' (No matter what happens, \$2,000 is the most you'd pay for covered in-network care in a year.). At the bottom, it says 'You can compare every detail before confirming.' with 'Compare plans' and 'Continue with this plan' buttons. A footer bar shows '\$86.38/paycheck' (Estimated payroll deduction, bi-weekly) and a 'Continue to supplemental plans ->' button.
